ARTICLES OF ASSOCIATION
AND BY-LAWS
OF
PUBLIC RISK MANAGEMENT OF FLORIDA
(PRM)

BE IT KNOWN THAT:

The below named public agency or agencies of the State of Florida for the purpose of forming a risk management and self-insurance association pursuant to the terms of Florida Statutes Sections 768.28(16)(a), 624.4621(8), and 163.01, Florida Interlocal Cooperation Act of 1969, do bind themselves contractually to and adopt these Articles of Association and By-Laws.

Article 1 - Name and Duration

1.1 Name. The name of this association shall be Public Risk Management of Florida, referred to hereinafter as the Pool.

Article 2 - Definitions and Purpose

2.1. Definitions. As used in this agreement, the following terms shall have the meaning hereinafter set out:

"Annual Payments": The amount each Member must annually pay to fully fund the costs of the full operation of the Pool.

"Aggregate Excess Insurance": Stop Loss Insurance purchased by the Pool from insurance companies and/or Lloyd's of London, or other similar entities, approved by the Board of Directors, or any committee appointed by the Board for such purpose, to protect the Pool from an accumulation of losses in any policy year should the "Loss Fund" be exhausted. Once the "Aggregate Excess Insurance" is triggered, any further losses within the "Self Insured Retention" will be paid by this coverage.

"Fiscal Year": The fiscal year of the Pool shall begin on October 1st and end on September 30th.

"Joint Self-Insurance" or "Self-Funded": A self-insurance or self-funded program in which Members agree to annual payments to fully fund the operations of the Risk Management Pool.

"Loss Fund": The fund established to pay claims occurring within the "Self Insured Retention." The "Loss Fund" represents the maximum amount for which the Pool is exposed in a single policy period.

“Maintenance Deductible”: The amount paid by the “Member” before the loss is paid by the “Self Insured Retention.” This is a nominal amount designed to protect the “Loss Fund” from small claims. The “Maintenance Deductible” applies only to property, automobile physical damage and crime losses.”

“Member Deductible”: The portion or monetary amount that PRM will invoice member as mutually agreed.

“Member Self-Insured Retention”: A layer of assumed risk where the Member self-insures a pre-determined amount of loss per occurrence.

"Members": The public agencies of the State of Florida which initially or later enter into the intergovernmental association established by this Intergovernmental Agreement.

“Multi-Loss Coverage”: This multiple loss protection limits a loss involving more than one line of coverage from one occurrence (i.e. property, liability, workers’ compensation) to one “Self Insured Retention.”

“Policy Year”: The policy year of the Pool shall be from the date of inception of coverage to the termination of said coverage, or on other dates as approved by the membership in attendance at a scheduled meeting of the membership.

"Pool": Public Risk Management of Florida established pursuant to the Constitution and the Statutes of the State of Florida by this Intergovernmental Agreement.

“Preferred Member/membership”: A Member with the Pool, who finds several benefits in pooling, including the multiple benefits to be achieved in participating in all available lines of coverage.

"Risk Management": A program attempting to reduce or limit casualty and property losses to Members and injuries to employees caused by or arising out of the operations of Members. Where claims arise the Pool will provide processing of claims, investigation, defense and settlement within the financial limits of the Pool as established in accordance with this Intergovernmental Agreement and will tabulate such claims, costs and losses.

"Risk Management Pool": A fund of public monies established by the Pool to jointly self-insure and self-fund property coverages, general liability, automobile liability, professional liability, public officials' liability and workers' compensation, and any other coverage lines approved by the Board of Directors.

"Self-Insurance": The decision by a public agency not to purchase insurance coverage for risks below certain limits; to seek and maintain immunities provided by law for a noninsured public agency; to rely upon its financial capabilities to pay covered losses which occur in case third-party claims are held valid and not barred or capped by available immunities; and to purchase some insurance to protect against catastrophic or aggregate losses. The purchase of liability insurance by the Pool or any of its Members is not intended to, and does not, waive sovereign immunity. Purchase of liability insurance shall only be pursuant to Florida Statutes, which allow for the purchase of insurance by the Pool without the waiver of sovereign immunity

by the Pool or any of the Pool's Members and is not pursuant to any other statute of the State of Florida.

“Self Insured Retention”: A layer of assumed risk where the pool or Member self-insures a pre-determined amount of loss per occurrence.

"Specific Excess Insurance": Insurance purchased by the Pool from insurance companies and/or Lloyd's of London, approved by the Board of Directors, or any committee appointed by the Board for such purpose, that provides catastrophe coverage up to the limit(s) chosen by the Pool.

“Standard Member/membership”: A Member with the Pool, who finds several benefits in pooling and who values pricing and the ability to not participate in all available lines of coverage.

2.2. Purpose: The Pool is a cooperative agency voluntarily established by Members as set forth in Florida Statutes Sections 163.01, 768.28(16)(a) and 624.4621(8) for the purpose of seeking the prevention or lessening of casualty and property losses to Members and injuries to persons or employees which might result in claims being made against Members. The purpose of this Pool is to carry out and effect the agreed upon functions and purposes of this Intergovernmental Agreement as stated herein.

It is the intent of the Members of this Pool to create an entity, which will administer a Risk Management Pool and utilize such funds to defend and protect, in accordance with this Intergovernmental Agreement, any Member of the Pool against liability for a covered loss. It is also the intent of the Members to have the Pool provide continuing stability and availability of needed coverage at reasonable costs. This Agreement shall constitute the substance of a contract among the Members.

All funds contained within the Risk Management Pool are funds directly derived from its Members who are public agencies of the State of Florida. It is the intent of the Members in entering into this Intergovernmental Agreement that, to the fullest extent possible, the scope of Risk Management undertaken by them through a Joint Self-Insurance or Self-funded program using governmental funds shall not waive, on behalf of any Member or such Member's employees as defined in Florida Statutes Section 768.28, any defenses or immunities therein provided, or provided by the laws of the State of Florida. The Pool and the Members of this Pool intend to effect no waiver of sovereign immunities through their use of public funds retained within the Risk Management Pool. Such funds being utilized to protect against risks in accordance with Florida Statutes Section 768.28 are not intended to constitute the existence, issuance or purchase of a policy for insurance. This Intergovernmental Agreement is not to be considered such as would cause this Pool to be treated as an "insurer" within the meaning of any legislation giving risk to liability or applicability to "insurer", for damages, costs, fees or expenses, etc., under Florida Statutes Sections 624.155, 626.9541, 626.9561, 627.426, 627.428, or other statutes applicable to Public Entity Self Insurance in the State of Florida.

2.3 Non- Assessable: Public Risk Management is a non-assessable pool.

Article 3 - Power and Duties

3.1. Powers: The powers of the Pool to perform and accomplish the functions and purposes set forth herein, within the budgetary limits and procedures set forth in this Intergovernmental Agreement, shall be as follows:

3.1.1. To establish By-Laws and Amendments to By-Laws, and operational procedures governing the operations of the Pool which are consistent with this Intergovernmental Agreement as set forth in Florida Statutes Sections 768.28, 163.01 and 624.4621(8), and to not waive any sovereign immunity not waived statutorily under Florida Law, and to expressly negate any past, present, or future waiver of sovereign immunity under Florida Statutes, and to continue to negate any waiver of sovereign immunity for discretionary and planning functions of government.

3.1.2. To employ agents and independent contractors and approve the rate of compensation, benefits and/or contracts that apply to Pool employees, Pool officers and service providers, and to ensure all benefits of Florida Statutes Section 163.01(9)(a) and all other applicable Florida Statutes.

3.1.3. To lease real property and to purchase or lease equipment, machinery or personal property necessary for the carrying out of the purpose of the Pool.

3.1.4. To carry out educational and other programs relating to risk reductions.

3.1.7. To establish reasonable and necessary loss reduction and prevention procedures, which shall be followed by the Members.

3.1.8. To provide Risk Management services including the defense of and settlement of claims and to have the authority granted by Florida Statutes Section 768.28(16).

3.1.9. To negate, pursuant to Florida Statutes, any implication of a waiver of sovereign immunity, and to negate any waiver of sovereign immunity other than to the extent required under Florida Statutes Section 768.28.

3.1.10. To act solely within the budgetary limits established by the Members to carry out such other activities as are necessarily implied or required to carry out the purposes of the Pool.

3.1.11. To sue or be sued as a separate legal entity.

Article 4 - Participation and Term

4.1. Term: The initial term of the Pool shall be from 12:01 a.m. on October 1, 1987 to 12:01 a.m. September 30, 1989. After the initial two (2) year term of the Pool, the term shall automatically be renewed for an additional term of one (1) year each. Provided, however, the Members may, through the manner provided in Section 6.9.4., terminate the Pool as of the end of the initial or any additional term during which such action is taken.

4.2 Notice of Intent to Withdraw: So long as the Pool shall continue in existence, any current or new Preferred Member joining the Pool shall remain a Member for an initial two-year term, except a new Member coming into the Pool after the first day of the policy year shall be obligated to be a member for not less than eighteen (18) months. 4.3. Actual Withdrawal/Required Withdrawal. Any Member who has served the Executive Director with prior written notice of its intent to withdraw at least forty-five (45) days prior to the beginning of the policy year for which the notice to withdraw is applicable, shall serve in writing to the Executive Director, no later than ten (10) days prior to the beginning of such policy year, a verification as to whether the Member intends to actually withdraw from the Pool at the end of the current policy year. Failure to serve such verification no later than ten (10) days prior to the beginning of the policy year for which notice of intent to withdraw is applied, shall be deemed a revocation of the prior notice of intent to withdraw; thus, binding the Member to the Pool for the ensuing policy year. An action to expel a Member shall be taken by the Executive Board in the manner described in Article 17 hereafter.

4.4. Admission of New Members: The Pool's Executive Board shall establish and periodically review standards and the approval process for the admission of new Members. Upon approval of these standards and of the approval process for admission by the Board of Directors, the Pool's Executive Board may grant or deny admission to proposed new Members based upon such criteria. Consideration of new Members may be communicated to all PRM Board Members by the Executive Director for any information or feedback that a Member may have regarding the prospective member.

Article 5 - Commencement of the Pool

5.1. Commencement Date: The Pool shall commence operations on October 1, 1987.

Article 6 - Board of Directors of the Pool

6.1. The Board: There is hereby established a Board of Directors (sometimes hereinafter referred to as the "Board") of the Pool. Each Member shall appoint one (1) person to represent that body (the "Representative") on the Board of Directors along with another person to serve as an alternate representative (the "Alternate") when the Representative is unable to carry out that Representative's duties. The Representative and Alternate shall be appointed in writing by the governing body of the Member and a copy of the written appointment shall be provided to the Executive Director of the Pool. Once such appointments are made known to the Pool, the persons appointed shall remain in office until the Pool receives evidence in writing of the appointment of other persons by the Member's governing body. The Representative and Alternate selected must be an employee, an appointed official or elected official of the entity.

6.2. The Chair and Vice Chair: The Board of Directors shall, commencing the 2003 fiscal year, select a Chair for a three year term. Thereafter, the Board of Directors shall bi-annually select a Chair to serve a two year term. The term of office for the Chair shall begin on the 1st day of a fiscal year and expire on the last day of a fiscal year. The Chair shall preside at all meetings of the Board. The Chair shall vote on all matters that come before the Board. The Chair shall have such other powers as may be given from time to time by action of the Board.

The Board of Directors shall bi-annually select a Vice Chair during the final quarter of each two-year term to serve during the subsequent two-year term. The term of office for the Vice Chair shall begin on the first day of a fiscal year and expire on the last day of a fiscal year. The Vice Chair shall carry out all duties of the Chair of the Board during the absence or inability of the Chair to perform such duties and shall carry out such other functions as are assigned from time to time by the Chair or the Board of Directors. The Board of Directors may from time to time appoint other officers of the Board.

6.3. Board Responsibilities. The Board of Directors shall have the responsibility for: (1) hiring of Pool officers, agents/brokers, and independent contractors; (2) setting of compensation for Executive Director, agents/brokers and all persons, firms and corporations employed by the Pool; (3) approval of amendments to the Intergovernmental Agreement; (4) approval of the expulsion of Members, except that the approval may be delegated to the Executive Board under Article 4 above, or by such procedures as are contained in the motion making delegation; (5) approval and amendment of the annual budget of the Pool; (6) approval of the operational procedures developed by the Executive Director; (7) approval of educational and other programs relating to risk reduction; (8) approval of reasonable and necessary loss reduction and prevention procedures which shall be followed by all Members; and (9) termination of the Pool in accordance with this Intergovernmental Agreement.

Such vote by each Preferred Member may be cast only by the Representative of the Preferred Member or in the Representative's absence by the Alternate. No proxy votes or absentee votes shall be permitted. Voting shall be conducted by show of hands or any method established by the Board that is consistent with Florida law. A simple majority vote of those Representatives present shall be required to pass on any motion. On such matters, the Chair and

the Executive Director of the Pool shall cause each Member's Representative and Alternate to receive the proposed ballot which will include at a minimum the text of the motion to be voted upon and the purpose of such motion. Only the Representative or the Alternate may vote on such ballots (not both). If both the Alternate and Representative submit ballots, only the Representative's ballot will be counted. Favorable votes by a majority of the Members' Representatives (or Alternates in their absence) entitled to vote shall pass any action unless an action is taken which is subject to 6.9 below, in which case passage will be based on the required number of votes as if each Member's Representative or Alternate was present at a regular or special meeting called to decide such question.

6.5. Representatives: The Representative selected by the Member shall serve until a successor has been selected. The Representative chosen by the Member may be removed at any time by the vote of the Member's governing body. In the event that a vacancy occurs in the position of Representative or Alternate selected by the governing body of a Member, that body shall appoint a successor in writing within 60 days of such vacancy occurring. The failure of a Member to select a Representative or the failure of that person to participate shall not affect the responsibilities or duties of a Member under this Intergovernmental Agreement.

6.6. The Executive Board and other Committees: The Board of Directors shall establish an Executive Board (known previously in this Agreement as Executive Committee). That Executive Board shall consist of the Chair of the Board of Directors, the Vice Chair of the Board of Directors, the Treasurer and four (4) Representatives elected by the Board of Directors. The Executive Board shall have the power to establish both standing and ad hoc committees to further the functions and purpose of this Pool. Unless the Board of Directors establishes some other procedure, the authority for selection of Representatives or Alternates serving on the Executive Board who shall serve on such committees and chair them shall reside with the Chair of the Board of Directors. The Chair of the Board of Directors may appoint non-voting and non-paid persons who are not Members of the Board of Directors to serve on committees of the Pool. The Board of Directors shall, bi-annually select the four (4) Representatives during the final quarter of each two-year term to serve during the subsequent two-year term. The term of office for the four (4) Representatives shall begin on the first day of a fiscal year and expire on the last day of a fiscal year. The Executive Board shall have the specific authority and power, as afforded herein by the Board of Directors, to grant binding approval for, and on behalf of, the Pool to bind any and all coverages for both Preferred Members and Standard Members with excess insurers, reinsurers, specific excess insurers, insurance underwriters, insurance wholesalers, insurance brokers and/or intermediaries, and with independent insurance contractors providing and/or affording both insurance and self-insurance coverages to the Pool Members. The Board of Directors shall grant to the Executive Board the authority to approve expenditures, authorize a settlement of claims and suits and take such other action as shall be specifically delegated to the Executive Board. The Executive Board may from time to time appoint interim replacements for any Executive Board member or Pool Officer who vacates their position on the Executive Board, who shall serve until the next scheduled election of such Executive Board member.

6.7. Operating Rules: The Board of Directors may establish rules governing its own conduct and procedure not inconsistent with this Intergovernmental Agreement.

6.8. Quorum: A quorum shall consist of a majority of the Representatives (or in their absence their Alternates) serving on the Board of Directors, or serving on the Executive Board.

Except as provided in Section 6.9 herein, or elsewhere in this Intergovernmental Agreement, a simple majority of a quorum shall be sufficient to pass upon all matters.

6.9. Super-Majority Voting: A greater vote than a majority of a quorum shall be required to approve the following matters:

6.9.1. Such matters as the Board of Directors shall establish within its rules as requiring for passage a vote greater than a majority of a quorum, provided, however, that such a rule can only be established by a greater than a majority vote at least equal to the greater than majority vote required by the proposed rule.

6.9.2. (Deleted effective June 19, 2009).

6.9.3. Any amendment of this Intergovernmental Agreement, except as provided in Subsection 4 below, shall require two-thirds (2/3) vote of all the Representatives serving on the Board of Directors.

6.9.4 The amendment of this Intergovernmental Agreement to cause a reduction or elimination in the scope of loss protection set out in Article 10 to be furnished by the self-insurance pool derived from payments from the Members, shall require that specific written notice of the proposed change be sent to the governing body of the Member and to the Representative serving on the Board of Directors, no less than ten (10) days prior to a meeting of the Executive Board at which this matter is proposed and the amendment as proposed or as amended must receive the approval of at least five (5) out of seven (7) Representatives of the then current Executive Board representing the then Members of the Pool.

6.9.5. In the event of a reduction or elimination in the scope of loss protection as set forth in Article 10 of this Intergovernmental Agreement receives the approval of at least five (5) out of the seven (7) Representatives of the then-current Executive Board as set forth in section 6.9.4, any Member may request, within twenty (20) days of the Executive Board voting to approve such reduction or elimination in the scope of loss protections as set forth in Article 10 of this Intergovernmental Agreement, in writing to the Chair of the Board of Directors that the Executive Board, at a special meeting, take official action to affirm, modify or reverse a decision of the Executive Board affecting the reduction or elimination in the scope of loss protection as set forth in section 6.9.4. The Member shall be provided a full opportunity to explain their position to the Executive Board. The Executive Board, by majority vote, may affirm, modify, reverse or defer the matter to the Board of Directors.

Any Member who disagrees with the Executive Board's final determination may request in writing, within twenty (20) days of the Executive Board's final determination, that the Board of Directors take action to affirm, modify or reverse the decision of the Executive Board. The Member shall be provided a full opportunity at a special, or regular, meeting to explain their position to the Board of Directors. The Board of Directors, by majority vote of the Members, may affirm, modify or reverse the final determination or decision of the Executive Board. Failure on the part of any Member to comply timely with the

requirements for appealing the determination by the Executive Board to the Board of Directors within twenty (20) days thereof shall be deemed to be a waiver of any contractual, legal or other rights of appeal by, or on the part of, that Member.

6.10. Compensation of Board of Directors: No Representative or Alternate serving on the Board of Directors shall receive any salary from the Pool.

6.11 Conflict of Interest: Representatives and Alternates shall abide by the guidelines established by the State Ethics Commission in the performance of their duties, particularly as it applies to conflicts of interest and financial disclosure.

The Members intend in the creation of the Pool to establish an organization for Risk Management only within the scope herein set out and have not herein created as between Member and Member any relationship of surety, indemnification or responsibility for the debts of or claims against any Member.

The Member may request a hearing before the Board before any decision is made as to whether the expulsion shall take place. The Board shall set the date for a hearing which shall not be less than fifteen (15) days after the expiration of the time to cure has passed.

A decision by the Board to expel a Member after notice and hearing and a failure to cure the alleged defect shall be final.
