

CHIEF'S NEWSLETTER

IONA MCGREGOR FIRE DISTRICT

Message from Seth Comer, Fire Chief

We hope this newsletter finds you all doing well. We are proud to recognize a special moment for the Iona McGregor Fire District. Recent promotions reflect the talent, dedication, and leadership within our ranks.

Each promotion represents years of hard work, training, and commitment to serving our community. They also highlight the strength of our culture—built on mentorship, accountability, and pride in the profession.

To those promoted, congratulations. You have earned the trust of your peers and leadership. With your new roles comes the opportunity to lead, inspire, and help shape our future.

These achievements belong to all of us. Behind every promotion is a team that trains, responds, and supports one another every day.

As we celebrate, we also look ahead with confidence. Together, we will continue striving for excellence and serving our community with pride.

Stay safe,
Chief Comer

Card or exact cash

All proceeds support the
Iona McGregor Firefighter Association.

Feature: Administration

Employee Spotlight: Promotions

The District exists to exceed community expectations by protecting lives and property through exceptional emergency response, risk reduction, and public outreach, with its organizational structure intentionally aligned to support this mission at every level. Led by the Fire Chief, who provides strategic direction and accountability to the Board of Fire Commissioners, the executive team includes the Deputy Chief of Operations—responsible for emergency response, training, and logistics—and the Deputy Chief of Administration and Accreditation, who oversees strategic planning and key administrative functions such as accreditation, human resources, EMS, health and safety, and fire prevention. Supported by the Chief Financial Officer, Human Resource Manager, Division Chiefs, Battalion Chiefs, and administrative staff, the organization ensures financial stewardship, workforce readiness, compliance, and operational stability, allowing frontline personnel to focus on delivering exceptional service while Administration supports long-term organizational health and effectiveness.

Pete Marrero, Deputy Fire Marshal

Community Outreach

In February, we hosted our 6th annual Camp Brave Heart, youth girls' empowerment camp, welcoming 36 girls in grades 5th - 8th and 45 counselors from fire departments across Florida. This free, hands-on camp introduces young girls to the fire service while building confidence, teamwork, and leadership skills.

Camp Brave Heart is committed to building self-confidence in young girls. We strive to create an environment that encourages them to reach their full potential, challenge themselves, and inspires them to be their best selves. By providing positive role models and meaningful experiences, we aim to help shape a brighter future for each participant.

By removing financial barriers, Camp Brave Heart ensures every girl has the opportunity to discover her strength, explore new possibilities, and be inspired to make a positive impact in her community.

Please follow our social media for information on our 2027 camp!
