BACKGROUND/DETAIL OF AGENDA ITEM:

In 2021 the board adopted the District's Community Risk Assessment-Standard of Cover(CRA-SOC). The intent of the district in developing and adopting a CRA-SOC is to assess the risks the District faces and establish a standard of how the district will deploy resources to mitigate those risk. The CRA-SOC is a living document that enables the district to measure the performance of our their deployment model and establish expected baseline performance and benchmark objectives. Industry best practice is to annually review and update the CRA-SOC and have the board of Commissioners accept the revisions.
