Iona McGregor Fire District

6061 South Pointe Blvd., Fort Myers, FL 33919

January 24, 2025

Seth Comer, Fire Chief
6061 South Pointe Blvd.
Fort Myers, FL 33919

Dear Iona McGregor Community,

The Independent Special Fire Control Districts of Fort Myers Beach and Iona McGregor are conducting a study to determine whether a merger of the two districts would be operationally and financially beneficial to the taxpayers of both Districts.

As part of this study, we need your feedback and concerns about merging the districts. Therefore, I am inviting you to participate in a community forum. This will be a facilitated event where we hope to learn your thoughts on merging the two districts. Your perspective is critical to us.

The forum is scheduled for February 20th, 2025, at 6:00 pm at Station 74. The address is 6061 South Pointe Blvd., Fort Myers, FL 33919. It should last no more than two hours. During this time, our facilitator will explore, at a minimum, the following:

Community Priorities—Which of the services provided by the fire districts are more or less important to you?

Concerns—What concerns might you have when considering merging these two districts?

Positives—What positives might you look for regarding the merger of these two districts?

Other Thoughts—What other ideas do you have to share regarding a merger of the districts?

The forum format will involve filling out a brief form, and the facilitator will encourage open discussion among group participants to better understand their views.

Please confirm your attendance by emailing nodarse@ionafire.com or by calling (239) 433-0660, Ext#427. We look forward to your participation.

Sincerely,

Seth Comer

Fire Chief
